PROFESSIONAL SUMMARY

I am a passionate MCA graduate and Java Full Stack Developer with strong skills in Java, Spring Boot, RESTful APIs, and backend development. Experienced in building scalable applications, working with databases, and integrating frontend and backend systems. Passionate about writing clean code, solving problems, and continuously learning modern technologies.

Technical Skills

Languages: Java, Python, JavaScript
Frontend: React.js, HTML5, CSS3, Tailwind CSS
Backend : Node.js, Express.js
Databases : MySQL, MongoDB
Tools : Git, GitHub, VS Code

Projects

Online Novel Reading Platform| *MERN Stack (MongoDB, Express.js, React.js, Node.js)*

- Developed a full-stack web application for reading and managing novels online.
- Built RESTful APIs using Node.js and Express.js for managing novels and chapters.
- Designed and implemented responsive UI using React.js and Tailwind CSS.
- Integrated MongoDB database to efficiently store user and content data.
- Implemented authentication and authorization for secure user access

Online Billing System| *React.js, Java, Spring Boot, PostgreSQL*

- Developed a billing management system for product and invoice management.
- Built backend services using Spring Boot REST APIs.
- Integrated PostgreSQL database for storing billing and product records.
- Implemented CRUD operations for efficient product and invoice management

Two Factor Authentication System| *Java, Spring Boot, TOTP, Google Authenticator, QR Code Integration.*

- Implemented Two-Factor Authentication (2FA) using Time-Based One-Time Password (TOTP).
- Integrated QR code setup for Google Authenticator.
- Enhanced application security through multi-step authentication verification.
-

Full Stack Developer Training

Full Stack Developer Trainee - TalentSprint(Part of Accenture)

Hyderabad

Sept 2025 – Present

Education

Master of Computer Applications (MCA)

2022-2024

Deccan College of Engineering and Technology (Osmania University)

CGPA: 8.05

Bachelor of Science (BSc)

2017 – 2021

Kamla Roy College (Jai Prakash University)

CGPA: 6.72

Certifications

- Deloitte Data Analytics – Job Simulation
- Full Stack Web Development – Udemy Learning
